"We are in the country of the Awabakal peoples. We respectfully acknowledge their elders, celebrating their continuing culture and the living memory of their ancestors."

Principal Appointment for 2027

During the school holidays families were informed of the appointment of Mrs Liz Stokes as the College Principal beginning in Term 1 2027. As was communicated to families and staff, Liz brings extensive experience in educational leadership, curriculum development, and school improvement. Throughout her career, she has demonstrated a strong commitment to fostering high expectations for student achievement, supporting teacher growth, and creating learning environments where all students can flourish. Most recently, she has served at the Maitland Newcastle Office as System Lead Curriculum and Pedagogy (Secondary), leading the development and implementation of system-wide professional learning for Principals, Assistant Principals, Middle Leaders and teachers and supporting the implementation of Curriculum Reform. The St Paul's community offers Mrs Stokes a warm welcome as we look forward to working beside you in 2027. We also thank Mr Wickham for his service and dedication to the St Paul's community over the last five years.

In 2027, I will continue as Assistant Principal – Community and Wellbeing and Mrs Emma Tierney will continue as Assistant Principal – Teaching Learning. Mrs Nicole Deed has also been appointed as Leader of Curriculum, which is a new role commencing in 2027. Mr Michael Eccleston, who we thank for his work whilst APC&W in 2026, will continue in his role as a Leader of Wellbeing in 2027.

The Wellbeing Team in 2027, which is an instrumental part of the day-to-day operational support for students at St Paul's will be as follows:

Year 7 – Mr Jarred Yates
Year 8 – Ms Alanna Bohatko (2027 Replacement TBC)
Year 9 – Mr Michael Eccleston
Year 10 – Mr Harry Towle
Year 11 – Mrs Peta Strategos
Year 12 – Ms Lauren Rieck

Further staffing changes will be communicated to families before the end of the year.

HSC Examinations and Year 12 Graduation

Over the last two weeks our Year 12 students have been working through their HSC Examinations. During these next two weeks students will be completing these examinations and will feel a sense of achievement as they finish their thirteen years of schooling. The staff at St Paul's are proud of the way you have continued to be dedicated to completing this milestone. We look forward to celebrating with you at your Graduation Ball on Friday 13th November.

CARE Focus

Over the past few months, I have found myself reflecting deeply on the CARE values that lie at the heart of St Paul's. In conversations with families who have chosen to entrust us with their children's education, these values often become the starting point for discussing the kind of community we aspire to be and the young people we hope to nurture.

As we continue to explore the CARE values alongside the Gospel values that underpin our mission, our conversations invariably return to a set of shared aspirations that transcend backgrounds, cultures and lived experiences. At the heart of these converstaions is a common hope held by every parent: that their child will grow into a person of strong character and deep compassion; someone who cares genuinely for others, recognises and upholds the inherent dignity of every individual, and approaches life with gratitude, humility and empathy.

The events of the past week have provided a powerful illustration of these values in action. Helen Haines, who tragically experienced the worst of human behaviour, embodies the very essence of the CARE values we seek to nurture at St Paul's. As we come to learn, Helen is a much-valued member of her community, dedicating herself to others through her work as a nurse and community representative. Her kindness, compassion, generosity of spirit and appreciation for all people ultimately has proven to be stronger than the actions that has sought to diminish them. Her husband, Phil, captured this beautifully when he spoke of Helen's extraordinary heart and mind. Equally powerful is the deep love evident within her family, not only in their devotion to Helen, but also in the strength of their care and support for one another.

This is this same aspiration that I frequently encounter in conversations with families. Parents consistently express a desire not only to nurture their children's minds, but also to form their hearts. We want our young people to appreciate the opportunities and blessings they have been given while developing a keen awareness of their responsibility to contribute positively to their community, their nation and the wider world. We hope they will possess the wisdom, resilience and moral courage to navigate life's challenges with integrity, working collaboratively with others to overcome obstacles and resolve differences through dialogue, understanding and peace.

In many respects, these aspirations reflect the very essence of what it means to be educated and formed in faith. We seek not merely to develop successful learners, but to nurture compassionate, thoughtful and principled individuals who are inspired to make a meaningful and lasting difference in the lives of others. Through the CARE values and the Gospel values that guide our mission, we strive to help our students become people who lead with both conviction and compassion, using their gifts in service of the common good.

Anne-Maree Shipman
Acting Principal

Assistant Principal - Teaching & Learning

As we move further into Term 4, there is much to celebrate across our school community.

HSC Examinations

We are now halfway through the written HSC examination. Year 12 students are to be congratulated on their commitment and perseverance throughout this important period. We recognise the dedication they have shown in preparing for their examinations and thank our teachers for their ongoing guidance and support. We wish all our students continued success as they complete their remaining examinations.

PAT Testing: Years 7–10

Over the coming weeks, students in Years 7–10 will participate in Progressive Achievement Tests (PAT). These diagnostic assessments provide valuable information about each student's learning strengths and areas where further support may be beneficial. Teachers use this information to better understand student progress, inform their teaching and plan learning experiences that respond to students' individual needs. The tests are an important tool in supporting ongoing growth and ensuring students are appropriately challenged and supported in their learning.

Year 10 Examinations

Year 10 examinations commence this Wednesday and will continue through to Friday (please see compass notification for examination schedule). In response to feedback from our school community, these examinations have been introduced to help students develop the skills and experience needed as they transition into Stage 6. Sitting formal examinations provides students with an opportunity to practise examination preparation and respond to assessment tasks under examination conditions. These experiences will help prepare students for the expectations and academic demands of Years 11 and 12.

Year 11- Awards Assembly & Parent/Teacher/Student Conferences

Our Year 11 students have now completed their Year 11 courses, marking an important milestone in their secondary education. We look forward to recognising their academic achievements at the Year 11 Awards Assembly on Tuesday, celebrating their progress and commitment to learning.

Following the assembly, our Parent/Teacher/Student Conferences will provide a valuable opportunity for students, parents and teachers to discuss academic progress and identify any areas where further support may be needed. These conversations are particularly important as students begin their Year 12 courses and prepare for the expectations of the HSC year. Working in partnership, we can help ensure students feel supported and confident, ensuring they are ready for the challenges and opportunities ahead.

As always, thank you to our parents and carers for your continued support and partnership. By working together, we can celebrate student achievements and respond to individual learning needs so that every student is well supported to achieve their personal best.

Emma Tierney
Assistant Principal - Teaching & Learning

Assistant Principal - Wellbeing & Engagement

Welcome to Week 3. It has been a busy term already, so it is important that we keep checking in and taking time to reflect. PIVOT surveys will continue this term as part of a Diocesan wide wellbeing program to check on students' general wellbeing, sense of safety, belonging, resilience and protective behaviours. It allows student time to reflect and the school to offer support as needed.

With the Year 11 Award Ceremony occurring this week, PAT Testing and our whole school Assembly, it is a great time to reflect on the importance of putting our best foot forward each day. We too often focus on comparing ourselves to others, when a greater comparison to make is to compare ourselves to the person we were yesterday. Have we put the effort in to be a better person today than yesterday, to improve in something or to be that bit more compassionate or organised? Small, consistent efforts made each day are often what leads us to the greatest growth.

Nicole Deed
Acting Assistant Principal - Wellbeing & Engagement

TRAFFIC MANAGEMENT REMINDER

To ensure the safety of all on the roundabout inside the school grounds, parents and carers are asked to drop students at the front gate and avoid entering school grounds in their car during the nominated times on the signage at the front of the school. There is a designated kiss and drop zone out the front of the school gates. There are over 12 buses entering the site in the morning from 8.15-8.45am and 2.50-3.40pm and the zone in front of the hall is for BUSES ONLY during these times.

Please do not drop students in the BUS ZONES during the times indicated on the road signs at the front of the school.

Year 12 Textiles and Design students have put up a display of their externally assessed project work in the library. There are some pages of the folio to accompany the products also. Students have worked so diligently and the concepts are purely the students' ideas and sewing.

Major Projects in Textiles can be anything made from predominantly textile materials (not just dresses/ wearable pieces). Students can choose from Furnishings (Olivia Dubo's Puff quilt), Textile Art (Lara Scott's corset/skirt), Apparel (Annabelle Compton's adaptive sleepwear, Taylor Richards Beachwear set and Sophie Daniels dress project) there is also Costume and non apparel which opens up the options for bags, tents and more.

Lions Rotary Speaking Competition

We could not be prouder of St Paul's own Alisha Jinu for her performance in the second stage of the Lions Rotary Speaking competition. The growth that she demonstrated in just one month is a testament to her hard work, diligence, courage and confidence. Alisha's prepared speech dominated Round 1, where she used her own research and experiences to advocate for gender equality. The Round 2 Impromptu Speech required her to prepare and deliver a speech on an unseen topic in just 2 minutes! In this speech, she used her humour to criticise the rising presence of Artificial Intelligence. She made the St Paul's community very proud and gave us a glimpse into the exceptional leader that she will no doubt become. Well done, Alisha!

WE ASKED.
THEY TOLD US.

In term 1 of 2026, almost 500 students shared what it's really like to grow up online today. Here's what we learned...

This is where young people live, learn, and connect.

Despite restrictions and bans, students are still deeply engaged online—across apps, games, and AI tools.

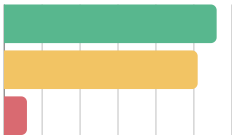

What they ♥ about being online.

For most students, being online isn't about school—it's about connection, fun, and belonging.

56% mention fun, entertainment, or gaming

51% mention connecting with friends

6% mention using the internet for learning

What they HATE about being online.

The same spaces they love... are also where they experience harm.

(~1 in 10) Strangers, scams & safety concerns

(~1 in 10) – Screen time & lack of control

(~1 in 13) – Inappropriate or unsafe content

25% mention bullying or mean behaviour.

13% mention Ads, spam & annoying content.

Where they spend their time

Even in a restricted environment, students are still highly active across games, video platforms, and AI tools.

Platform	Primary	High School
Roblox	33.6%	3.8%
AI	22.3%	42.5%
TikTok	7.4%	26.3%
Snapchat	5.4%	20%
Instagram	2.4%	18.8%

What students WANT from adults

Students are not rejecting adults —they want better support.

2 in 5 students...

...are asking for stronger supervision and clearer boundaries from parents.

Support that feels informed, not controlling

School Community Code of Conduct

Members of Catholic school communities in the Diocese of Maitland-Newcastle agree to nurture and support each other's individual growth in faith, to create communities of respect and tolerance and to engage in the promotion of peace, justice and service of others.

The School Community Code of Conduct reinforces our understanding of the rights and responsibilities each of us has in ensuring we provide an environment where our students can thrive.

Upon acceptance of enrolment and as a condition of continuing enrolment in our Catholic schools, all members of the school community are bound by this Code of Conduct. School staff must abide by the CSO's Code of Conduct for staff members available at: **www.mn.catholic.edu.au/about/policies**

Students in Catholic school communities agree to:

- **Model positive behaviour to other students.**
- **Comply with and model school values.**
- **Behave in a safe and responsible manner.**
- **Respect themselves and other members of the school community both personally and through the use of all social media technologies at all times.**
- **Respect our school environment.**
- **Actively participate in our school community.**
- **Support the learning of others and make the most of our educational opportunities.**

Parents/Carers and volunteers in Catholic school communities agree to:

- **Understand and abide by all diocesan policies, procedures and guidelines, which are available on the CSO website www.mn.catholic.edu.au/about/policies**
- **Model positive behaviour to their child and all children in the school community.**
- **Ensure children attend school on time, every day the school is open for instruction.**
- **Take an active interest in their child's school and their learning and to engage positively in all aspects of their child's learning.**
- **Participate in the Liturgical and Faith Life community of the school including participation in all aspects of the Religious Studies program regardless of personal beliefs.**
- **Work in a positive manner with the school to achieve the best outcomes for our child.**
- **Communicate constructively, respectfully and in a spirit of partnership with the school and use processes and protocols outlined in the CSO Complaints Resolution Policy documents when raising concerns.**
- **Communicate with their child's teacher or the Principal directly regarding any concerns about their child, other students, staff or community members.**
- **Reject aggressive, abusive and confrontational language and behaviour, as this is counterproductive to the sustainability of any relationship. Approaching students, community members and/or staff in a confronting manner will not be tolerated.**
- **Support all school staff to maintain a safe learning environment for all students.**
- **Treat all school staff, students, other members of the school community, visitors and volunteers with respect in all dealings with them both personally and through the use of all social media technologies at all times.**
- **Discuss with the Principal any barriers to meeting the financial obligations agreed to at the time of enrolment and seek to form an agreement with the school to meet these.**
- **Ensure any agreement made with the school is honoured.**
