"We are in the country of the Awabakal peoples. We respectfully acknowledge their elders, celebrating their continuing culture and the living memory of their ancestors."

Farewell to the Class of 2026

As we farewell our Year 12 students, we do so with immense pride, gratitude and hope for the future as we reflect on the remarkable young men and women our graduating class have become and the contributions, they have made to our school community. The culmination of years of learning, growth, friendship and perseverance marks the end of thirteen years of schooling and the beginning of new and exciting personal pathways. Whether our students intend on pursuing university studies, apprenticeships, traineeships, employment or other opportunities, we are confident they leave our school equipped with the skills, knowledge and values needed to make a positive contribution to their communities. As a school community we are excited for their future as we watch and wait to hear about their future successes.

As they prepare to step beyond the school gates and into new adventures, the words of St Paul offer a powerful message of encouragement:

"…I have finished the race, I have kept the faith." (2 Timothy 4:7)

These words remind us that success is not measured simply by a destination, but by the commitment, courage and integrity shown throughout the journey. This cohort began their secondary schooling during a time of unprecedented global disruption. They experienced the uncertainty of COVID-19, periods of remote learning, restrictions on gatherings, cancelled events and the challenge of maintaining connection while physically apart. Through all the disruption to their early secondary years, they demonstrated remarkable adaptability and perseverance. They continued to move forward, supporting one another, embracing opportunities and striving to achieve their personal best. Their achievements are all the more significant because of the challenges they have overcome along the way.

On behalf of our school community, we wish you every blessing for the future. May you continue to grow in wisdom, serve others generously, and approach life's challenges with hope and perseverance.

As St Paul reminds us: *"Let all that you do be done in love."* (1 Corinthians 16:14)

Congratulations to our class of 2026. You will always remain a valued part of our school family. We look forward to hearing about your future successes.

An Irish Blessing
May the road rise to meet you,
May the wind be always at your back.
May the sun shine warm upon your face,
The rains fall soft upon your fields.
And until we meet again,
May God hold you in the palm of his hand.

Anne-Maree Shipman
Acting Principal

REMINDER!

PUPIL FREE DAY - MON OCT 12

TRAFFIC MANAGEMENT REMINDER

To ensure the safety of all on the roundabout inside the school grounds, parents and carers are asked to drop students at the front gate and avoid entering school grounds in their car during the nominated times on the signage at the front of the school. There is a designated kiss and drop zone out the front of the school gates. There are over 12 buses entering the site in the morning from 8.15-8.45am and 2.50-3.40pm and the zone in front of the hall is for BUSES ONLY during these times.

Please do not drop students in the BUS ZONES during the times indicated on the road signs at the front of the school.

Year 12

Farewelling our Year 12 students is a special time for the St Paul's school community. It is a time we reflect on all that this group of students have contributed to St Paul's and their many individual achievements. It is a time of acknowledgement and celebration, for everyone who has contributed to their education, students, families and staff.

Congratulations to our students who have been working toward a range of credentials including a Certificate II, Certificate III, School Based Apprenticeships as well as the Higher School Certificate.

As the students prepare over the coming weeks for the HSC examinations, we will continue to keep them in our thoughts and prayers.

Please see below links to the HSC Written examination timetable and HSC Rules and Procedures.

Important Security Update for Student BYOD Devices - Windows 10

To stay protected and ensure optimal performance, it is strongly recommended that all students with BYOD Windows 10 devices follow Microsoft's instructions and upgrade to Windows 11 as soon as possible.

Windows 10 is no longer supported by Microsoft. Why does this matter?

- **2026 HSC readiness:** The 2026 HSC browser will not work on Windows 10 devices.
- **2027 NAPLAN readiness:** The NAPLAN Locked Down Browser in 2027 may not work on Windows 10 devices.
- **Increased security risk:** Microsoft stopped supporting Windows 10 on 14 October 2025, which means there will be no ongoing security updates or bug fixes. Devices become more vulnerable to malware, ransomware, and data breaches.
- **Hardware compatibility issues:** New peripherals (e.g., printers, keyboards, monitors, webcams) may not function correctly.
- **Applications** such as web browsers and learning tools will progressively stop working on Windows 10.

To avoid disruption, devices need to upgrade to Windows 11 or be replaced before the start of the 2027 school year, or before the HSC if relevant.

What to do

How do I check what version of Windows I am running?

Select **Start > Settings > System**, then select **About**. You then see **Edition, Version**, and OS Build information.

If you aren't on Windows 10 there is nothing further needed.

If you are on Windows 10 follow the steps below:

Option 1 – Upgrade to Windows 11

If the device meets the system requirements, families should upgrade immediately to Windows 11 using Microsoft's upgrade option:

- Ways to install Windows 11 – Microsoft Support
- Upgrade to Windows 11: FAQ – Microsoft Support

Option 2 – Replace the device

It's recommended to use your school's BYOD portal provider or the CS preferred provider to purchase a device that is compatible with CDMN device requirements.

Alternatively, you can purchase from an independent retailer. However, it's important that you review the Catholic Schools of Maitland Newcastle BYOD minimum specifications to inform your purchase, as devices that connect to the school's networks must meet these requirements.

AUDITIONS 2027

Registrations for the Aspire 2027 auditions are now open for current and new students from Years 4 and up. The auditions will be held at the Warners Bay Theatre, Lake St, Warners Bay (Drama, Dance, Vocal ONLY) or Diocesan Resource Centre - Corner of Tudor Street and Parry Street, Newcastle West (Instrumental ONLY).

Registrations for auditions close on Friday, 25 September 2026. Once our ASPIRE Administration receives the registration, applicants will receive all relevant audition information during the first week of the school holidays. This will include the audition allocated dates and times.

DRAMA Ensemble Audition

Monday 26 October 2026 & Tuesday 27 October 2026 — **Location: Warners Bay Theatre, Lake St, Warners Bay**

The drama auditions consist of a half-hour workshop featuring a series of drama exercises in movement, voice, character work, and devising (creating short scenes). Students will also be required to prepare a short one-minute monologue. A list of topics for Junior applicants will be on the ASPIRE website at the end of Term 3, whilst Senior applicants will be required to source a monologue of their choice.

DANCE Ensemble Audition

Wednesday 28 October 2026 — **Location: Warners Bay Theatre, Lake St, Warners Bay**

The audition is entirely workshop-based. Students will be taken through some skills-based exercises before learning some new choreography. They may have an opportunity to add their own choreography, so it's a good idea to have some ideas ready about what they might like to do.

INSTRUMENTAL Ensemble Audition

Wednesday 28 October 2026 — **Location: Diocesan Resource Centre, Cnr Tudor Street and Parry Street, Newcastle West**

All instrumental auditions are 10 minutes. Students are required to prepare a short piece that they feel shows their ability. After performing the piece for the panel, students will either be given some music to sight-read or asked to improvise a melody/rhythm whilst accompanied by another instrument.

VOCAL Ensemble Audition

Thursday 29 October 2026 — **Location: Warners Bay Theatre, Lake St, Warners Bay**

For the one-hour vocal audition, students will be placed in a group of up to 20 students of similar age. The first part of the audition will comprise of learning a new song as a group and some simple movement to go with it. This allows the panel to see how well students pick up new music, lyrics and movement and place them together. In the second half of the audition, students will be required to sing the first verse and chorus from the audition song list. The list of songs will be available on the ASPIRE website at the end of Term 3. A link will be provided to each applicant, including song selections and backing tracks for practising.

WE ASKED.
THEY TOLD US.

In term 1 of 2026, almost 500 students shared what it's really like to grow up online today. Here's what we learned...

This is where young people live, learn, and connect.

Despite restrictions and bans, students are still deeply engaged online—across apps, games, and AI tools.

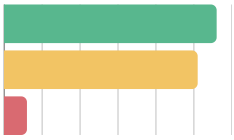

What they ♥ about being online.

For most students, being online isn't about school—it's about connection, fun, and belonging.

56% mention fun, entertainment, or gaming

51% mention connecting with friends

6% mention using the internet for learning

What they HATE about being online.

The same spaces they love... are also where they experience harm.

(~1 in 10) Strangers, scams & safety concerns

(~1 in 10) – Screen time & lack of control

(~1 in 13) – Inappropriate or unsafe content

25% mention bullying or mean behaviour.

13% mention Ads, spam & annoying content.

Where they spend their time

Even in a restricted environment, students are still highly active across games, video platforms, and AI tools.

Platform	Primary	High School
Roblox	33.6%	3.8%
AI	22.3%	42.5%
TikTok	7.4%	26.3%
Snapchat	5.4%	20%
Instagram	2.4%	18.8%

What students WANT from adults

Students are not rejecting adults —they want better support.

2 in 5 students...

...are asking for stronger supervision and clearer boundaries from parents.

Support that feels informed, not controlling
